11. Form of requests

(a) A requester must be given access to a record of UCT as a public body if the requester complies with the following:

the requester complies with all the procedural requirements in the Act relating to the request for access to that record; and

access to that record is not refused on any ground of refusal mentioned in the Act.

(b) Nature of the request

A requester must use the prescribed form [Govt. Notice R187-15 February 2002 Form A]. This is available on the websites: www.sahrc.org.za or www.doj.gov.za.

The requester must indicate if the request is for a copy of the record or if the requester wants to inspect the record. (If the record is not a document it can then be viewed in the requested form, where possible [s 29(2)].

A requester who asks for access in a particular form should get access in the manner that has been asked for, unless this would interfere unreasonably

with the running of UCT or damage the record, or infringe a copyright. If for practical reasons access cannot be given in the requested form but in another way the fee must be calculated according to the way that the requester asked for it [s29(3) and (4)].

If the requester wants a written reply and to be told about the decision in any other way, e.g. telephone, this must be indicated by the requester [s 18(2)(e)].

If a requester is asking for the information on behalf of somebody else, the capacity in which the request is being made must be indicated [s 18(2)(f)].

If a requester is unable to read or write, or has a disability, the requester may make the request for the record orally. The information officer must then fill in the form on behalf of such a requester and give him or her a copy [s 18(3)].

12. Fees

- (a) There are two types of fees being the request fee and the access fee. These were gazetted on 9 March 2001, Government Notice R223.
- (b) A requester who seeks access to a record containing personal information about that requester is not required to pay the request fee. Every other requester, who is not a personal requester, must pay the required request fee of R50.
- (c) The information officer must notify the requester (other than a personal requester) by notice, requiring the requester to pay the prescribed fee of R50 before further processing the request.
- (d) After the information officer has made a decision on the request the requester must be notified of the decision in the way the requester asked to be notified.
- (e) If the request is granted a further access fee must be paid for the search, preparation, reproduction and for any time that has exceeded the prescribed hours to search and prepare the record for disclosure.

The structure for access fees is available at

www.sahrc.org.za
