If you have already taken the GMAT, a certified copy of your score should be enclosed with your application pack. **GMAT scores older than four years are not acceptable.**

It is strongly recommended that applicants thoroughly prepare for the GMAT by purchasing any one of the books available from major book stores.

In addition, the UCT Graduate School of Business offers GMAT preparation courses each year. Please see our website, <http://www.gsb.uct.ac.za/course-menu> for more information.

MCPA

As an alternative to the GMAT, applicants may complete the Modified Career Path Appreciation assessment (MCPA). **Applicants choosing the MCPA route MUST write the National Benchmark Test (NBT) as well.**

The MCPA provides an indication of the most suitable and longer term fit with organisational complexity or work themes and provides information about current and future capabilities.

For more information visit <http://www.bioss.co.za>.

NBT

The National Benchmark Test (NBT) is a UCT-developed test which provides additional insight into the candidate's verbal and quantitative abilities, and is assessed with other indicators.

The NBT is written at the nominated venues throughout the year. Please ensure that you book your NBT test early as places are limited at the venues. To book for your NBT, please visit the NBT website <http://nbt.uct/>.

You must pay the testing fee as soon as you have registered and received your unique EasyPay number. The testing fee is R90 per test. Required test paper to be written.

Applicants who choose the NBT route must write the Academic Literacy and Quantitative Literacy (AQL) (3 hours).

- The NBT scores must be received by the UCT Graduate School of Business before the application deadline. Scoring of the NBT takes approximately 3 weeks.
- Please contact Admissions (admissions@gsb.uct.ac.za) if you live outside of South Africa to arrange for the NBT to be written remotely, or if you have any queries.

Recognition of Prior Learning (RPL)

- EMBA candidates that do not meet the degree entry requirements may apply through the [RPL Route](#). The cost of the RPL assessment is R1700. This fee is non-refundable, and separate from the application fee.
- For more information on the RPL Admissions route and to request the RPL form, please contact the GSB Admissions Department at admissions@gsb.uct.ac.za.

Confidential Evaluators' Forms

- Two individuals who know you in a professional context and who are not family members should complete the confidential evaluators' forms.

- Only the [evaluators' forms](#) provided on the GSB website will be accepted.** General references and/or testimonials are not acceptable.

English Proficiency

- International applicants whose first language is not English are required to demonstrate their English language proficiency either through clear evidence of a satisfactory command of English or by achieving a score of 600 or higher on the TOEFL, a test which is administered by Education Testing Service. For more information please go to <http://www.toefl.org>.
- Alternatively, recent overall band score of 7.0 on the International English Language Testing System (IELTS), with no individual element of the test scoring below 6.0 is required. For more information please go to www.ielts.org.
- Where required, TOEFL scores must accompany applications from candidates in non-English speaking countries. Alternatively, clear evidence of a satisfactory command of English is required.

Translation and Evaluation of Foreign Qualifications

- Candidates must ensure that they submit official and certified English translations of all documents with their applications.
- Verification of whether the qualification is equivalent to a South African degree is also required. This can be done by contacting the South African Qualifications Authority (<http://www.saga.org.za/>).

Proof of Academic Qualifications

- Transcripts being sent to the UCT Graduate School of Business directly from an academic institution should be requested timeously so as not to delay the application process. The GSB will not follow up on transcripts with academic institutions on behalf of applicants. Candidates must ensure that they submit official and certified English translations of all documents with their applications.
- It will not be possible for original documents to be returned – therefore please submit **certified/notarised copies** of all documentation required.
- Certified copies of diploma transcripts, partially completed degrees or any other courses completed which may be used in support of your application, should also be submitted. Each page of these must carry an original stamp from a Commissioner of Oaths (or equivalent). Documents which have previously been certified and then photocopied, are not acceptable. Please do not include extraneous material such as reports, thesis documents, etc., with your application.

Study Permit for non-South African Applicants

- Confirmation of a place on a GSB programme is required before a study permit can be considered by the South African Department of Home Affairs. Applications should be made through your nearest South African Embassy, Consulate or Trade Mission.
- Please note: In terms of the provisions of the Aliens Control Act 1991 (Act 96 of 1001) this University is prohibited from registering an international student unless he/she is in possession of a valid study permit.
