## Here's a quick overview of what to expect from the Pre-Application and Admissions processes

**First of all, you will need to do some research.** Before you begin, we encourage you to find out as much as possible about the programme you are applying for at the GSB. This involves reading up as much as you can on [our website](#), attending our [information sessions](#), seeking counsel from your peers, colleagues and mentors, or calling our Admissions Team for more information or clarity.

- Understand the [entrance requirements](#); make sure you meet the criteria.
- Consider the [time and workload demands](#) of the programme, and discuss this with your employer if necessary.
- Know what the latest [fees](#) are, and consider your [funding options](#).

**The application process:** Applying at the UCT GSB involves a few easy steps:

### STEP 1: Complete your 'Pre-Application' – an application for the UCT GSB

The Pre-Application process is required for us to know that you are sufficiently qualified or experienced and the right fit for your chosen academic programme at the GSB. This is an important step that will help prepare you for the rest of the application process.

### STEP 2: Apply with the University of Cape Town

The UCT Online application is necessary to register you as a student of the university, and create your unique UCT Student Number. You may be required to resubmit some information from the previous step.

### STEP 3: Upload your documents

During your Pre-Application process you will be required to compile a set of documents, then upload them onto our application portal. Our Admissions team will use these documents to prepare your application for the Admissions Board.

### STEP 4: Pay your application fee

Before the Admissions team are able to send your application pack to the programme's Admissions Board, they will need to confirm receipt of your application fee. This is an important step that lets us know that you are serious about your application. Please note, this is non-refundable regardless of the Admissions Board's decision on your application.

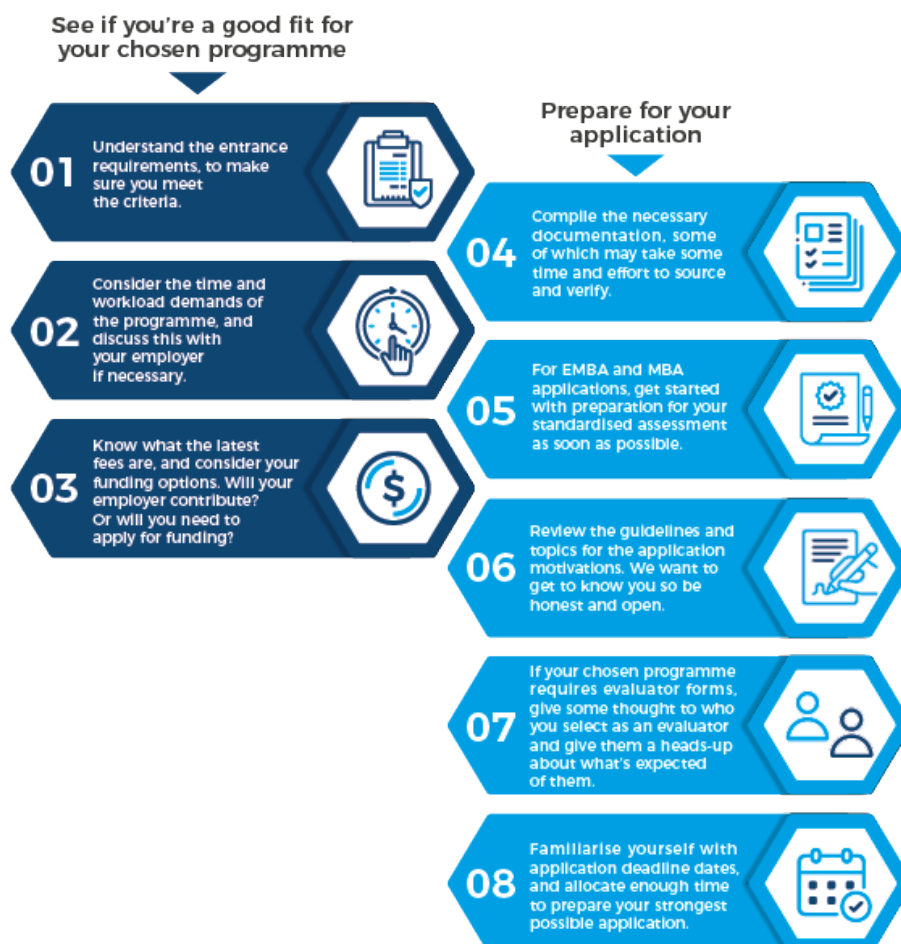

**TOP TIP:** Many of our applicants find it useful to create an application folder on their computer to keep all application documents safely filed in one place, and easily accessible for their submission.

## Starting your application

Once you have started your application, you will receive an email containing your unique **Pre-application Portal Link**.

You don't need to complete all steps in one sitting. All changes are saved automatically, so you can always go back to complete an incomplete step or skip ahead – return to your application portal at any time using **your unique link**.

**TOP TIP:** For privacy reasons, don't share your unique portal link with anyone else.

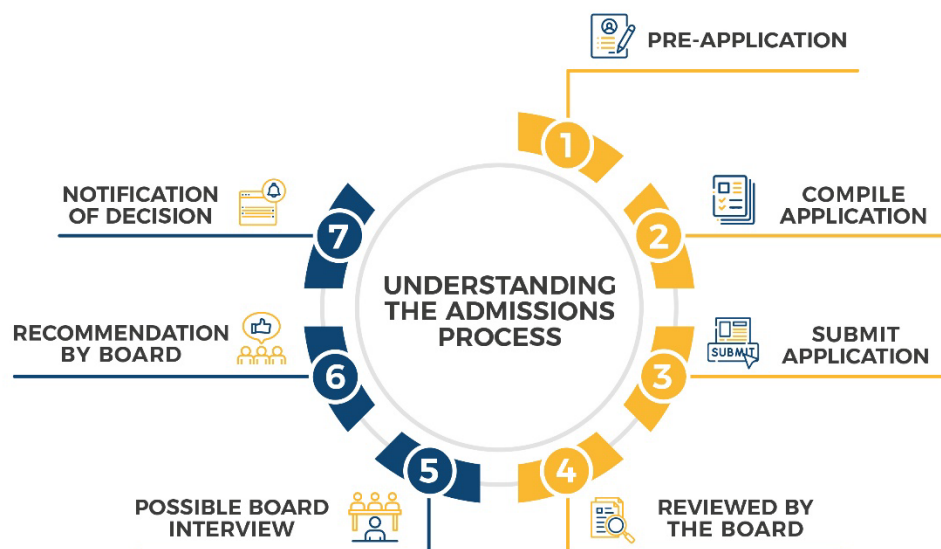

## The admissions process

Once you have submitted a completed application, the Admissions Team will kick into gear and process the application.

**TOP TIP:** Make sure you've completed **all 4 steps** of your application to allow the Admissions Team to proceed with your application. The assigned Admissions officer will communicate with you directly should any documentation be outstanding.

Be patient – you will be notified of any outcomes in due course.

# Entrance requirements

*Attributes and qualifications needed for this degree*

## QUALIFICATIONS AND PREVIOUS EXPERIENCE

Prospective candidates must:

- Hold a qualification that allows the student to enter into a Master's-level study in the country where it was obtained, which in South Africa is an NQF Level 8 qualification. Candidates with a non-South African qualification may need to verify the equivalence to a South African degree.
- Provide proof of academic preparation:
  - Have completed a bachelor's degree in management or economics or a related field; or have successfully passed 120 credits/60 ECTS of studies in business education at the postgraduate level in any of these areas. This could be from a one-year honours or PGDip in economics/management or business following any other Bachelor's degree.

## LANGUAGE REQUIREMENTS

**Students must be fluent in spoken and written English.** The UCT GSB Admissions Board could require a TOEFL for applicants whose mother tongue is not English or who have not received a degree from an English university. The Board also takes motivation essays, standardised assessments, and interviews into account with regard to English proficiency. Final decision at the discretion of the Board.

Proficiency in English (if not mother tongue\*) must be proven through any of the following accreditations as a minimum level:

- TOEFL iBT100
- IELTS(Academic)/IELTS Indicator 7.0
- CPE C; CAE B
- BEC Higher B

The additional language can be at intermediate proficiency level but the speaker must be fluent. Students will have to show proof of their language proficiency. If a student does not have proficiency in a third language, they will be required to learn a new language during the programme.

All CEMS Master of Management specialising in International Management students graduate with competence in three languages, one of which must be English.

- Language 1: English (home language or proficiency)
- Language 2: Any language (home language or B1 oral/ B1 written level)
- Language 3: Any language (home language or elementary level)

## KINDLY NOTE

\*ANNUAL FEE INCREASE

The University increases fees annually. Applicants embarking on 2-year Programmes or Programmes that straddle two academic years, must factor in fee increases for their courses in the 2<sup>nd</sup> academic year of study.

#### FEES AND PAYMENT DATES

Please note that fees and the associated payment structures differ for South African students (incl. permanent SA residence holders), African students (incl. permanent African states residence holders) and non-African students. Payment for tuition is required before registration. Please consult the [fees handbook](#) or the [GSB website](#).

#### PRO-FORMA INVOICE

Should you require a pro-forma invoice from the UCT GSB in order to apply for employer funding (or any other reason), we have created an automatic invoice generator for your chosen programme [here](#).

#### Non- South African Students

All students from outside South Africa (incl. students with permanent residency status in African countries) are required to make the full payment of tuition fees for the academic year prior to registration.

#### South African students

South African students (incl. students with SA permanent residence status) must make the initial payment prior to registration. The initial payment amount is typically set as 35% of the total fee debt for the year. In the event of late payment, this will be subject to a once-off late payment fee of 8% of the total annual fee. You will be allowed to register if the initial payment has not been received by the due date. Payment of the balance of fees for the year is due on 31 July. We send out detailed statements of account every month from March onwards. Note that interest is charged on outstanding balances after 31 July. Refer to the [fee's handbook](#) for details.

#### \*\*ACCEPTANCE FEES

An acceptance fee is required for all GSB programmes. This must be paid upon acceptance of the offer and secures your place on the programme. An acceptance fee of ZAR 25,000 is applicable to all GSB students applying for Masters level programmes. Postgraduate Diploma level students must pay an acceptance fee of ZAR 15,000. This is credited against the initial payment due upon registration. Note that this acceptance fee is subject to cancellation charges, calculated on a sliding scale, should you subsequently withdraw your acceptance (Please refer to Fees Booklet).

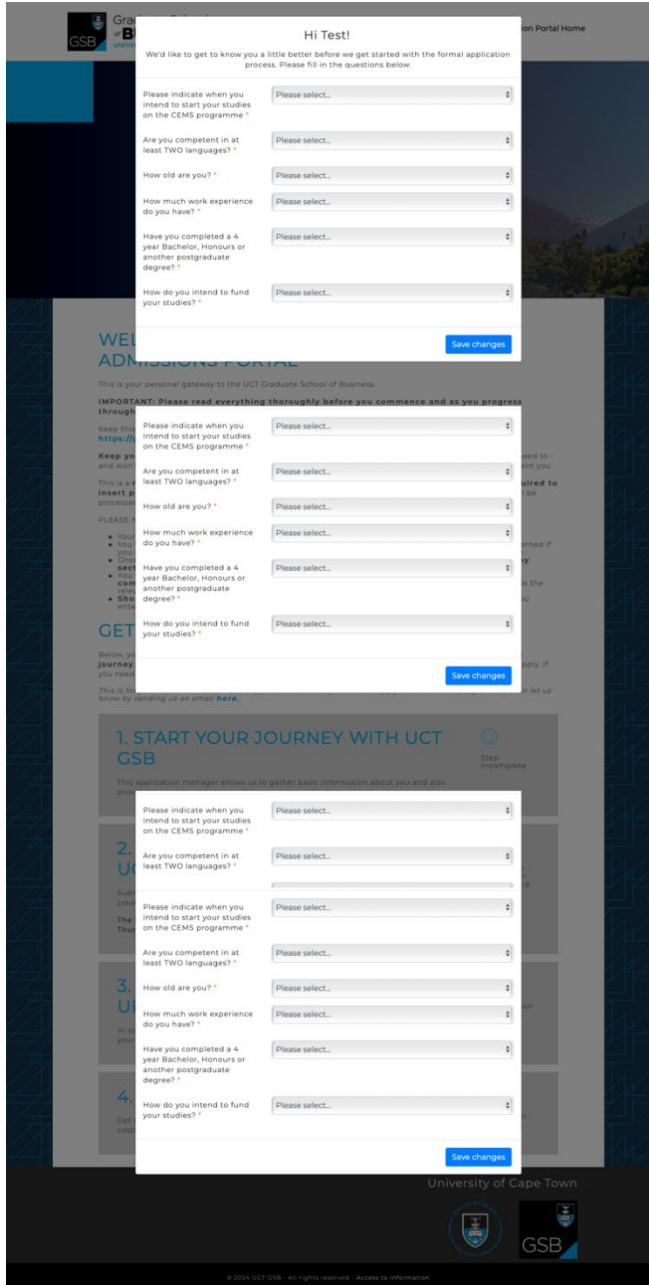

## Our Application Process

### STEP 1: UCT GSB Pre-Application

Here is what our Pre-Application system looks like.

*Each step is automatically saved and you can return to complete any step later.*

Before you begin, we will ask you to confirm a few programme-specific particulars.

The screenshot displays the GSB Pre-Application system interface. At the top, there's a 'Hi Test!' header with a greeting and a prompt to fill in questions. Below this, there are several questions with dropdown menus for selection:

- Please indicate when you intend to start your studies on the CEMS programme? \*
- Are you competent in at least TWO languages? \*
- How old are you? \*
- How much work experience do you have? \*
- Have you completed a 4 year Bachelor, Honours or another postgraduate degree? \*
- How do you intend to fund your studies? \*

Each question has a 'Please select...' dropdown menu. A 'Save changes' button is located at the bottom right of the form. The background shows a blurred view of the 'WELCOME TO OUR ADMISSIONS PORTAL' and a sidebar with navigation links.

You will then land on our Pre-Application portal, which looks like this:
