

2020 MPhil in Inclusive Innovation Motivation Questions

We would like to learn more about you. Please answer EACH of the following questions.

1. Please provide us with a narrative about who you are, what your vision for your future is, and why you have chosen to apply to the UCT GSB MPhil in Inclusive Innovation programme at this particular time in your life and career?
2. How will you contribute to creating a strong, mutually supportive learning community for your cohort? What skills and expertise will you be able to offer your classmates to enhance the co-created learning journey?
3. What do you expect, and hope to achieve from your GSB experience? How do you plan to manage the high time and energy demands of this intensive programme over the course of the next one or two years?

Note:

- Complete each motivation on a separate page, upload onto the UCT Online Application and print & include with your hard copy application pack.
- Please write clearly and openly about yourself.
- Give examples where appropriate/useful.
- Each motivation should be between 300 and 400 words.
- Your motivations should be typed (1.5 line spacing, 12 font size).
